

LA TERMAL TV

SYNOPSIS

La Termal TV is a program entirely produced in the city of Sáenz Peña, with comprehensive content and characterized by journalistic accuracy for the second biggest city in Chaco. Alejandro Rubiolo had the idea for the program in 2013. Originally hosted by Guillermo Arrieta, who produced the program to reveal all the information for the entire province. Currently hosted by Daiana Miranda, La Termal TV is the result of a hard work week that arrives to the screen as a product of meticulous editing carried out by Pablo Gómez and the production of images by Alejandro Sánchez.
