

MOTORES EN MARCHA

MOTORES EN MARCHA

SYNOPSIS

Motores en Marcha, is exclusively about car racing, mostly about the Rally, both at the national and worldwide level, and the World Tourism Championship, being in this aspect the holders of television rights for both categories in Córdoba.

We follow the development of both Championships with our own coverage, plus the special live broadcast of the Rally Argentina held annually in our province and the broadcasts of each date of the WTCC.
