

## TELENOCHE DOCE

### SYNOPSIS

Its display and accuracy over the years have made this the leading news program in the whole region. Telenoche Doce debuted in Córdoba in 2001 and ever since has clicked with its audience. In-depth and unbiased reports of local, state and national developments make it stand above competitors. Political and social pundits recognize Telenoche as one of the most important means of expressing their opinions. Each news story is thoroughly researched, respecting the different opinions and artists, with original audiovisual content, bearing in mind the context, all of which are key elements for our daily news programs.
